Bassford believes that the Debtor is current in payment of ordinary operating expenses and any allowed administrative expenses, that any quarterly fees have been or will be paid as required to the United States Trustee, and that all monthly operating reports are being timely filed. The Debtor and the Committee have filed a joint plan and disclosure statement.

**Other Contested Matters: Hours 25.7; Fees \$10,922.50.**

15. Bassford and the Committee engaged in continued briefing and analysis of issues related to the multiple appeals filed by James Ratcliff subsequent to the avoidance of his lien by the Bankruptcy Court related to both his motion for adequate protection and the motion for summary judgment in the Ratcliff adversary proceeding. Bassford was highly involved in the continued appellate strategy and the briefing process, working heavily with Debtor's counsel to that end, including the drafting of the supplemental brief requested by Judge Brasel in the appeal. Bassford worked with counsel preparing for oral argument on the appeal before Judge Brasel. Bassford attended depositions taken by Mr. Ratcliff's counsel related to Ratcliff's motion to convert the case. Bassford also continued to review weekly cash reports.

17. Bassford incurred actual costs and expenses on behalf of the Committee during the Sixth Interim Period in the amount of \$731.90 related to service and printing expenses, in addition to \$527.15 for deposition transcripts for purposes of the adversary litigation. Such itemized expenses are also set forth on Exhibit B.

18. In total, Bassford seeks interim approval for fees in the amount of \$12,155.00, and expenses in the amount of \$1,259.05, for a total allowed claim of \$13,414.05.

19. All services performed by Bassford were necessary to the administration of this case and were beneficial toward the successful completion of this case at the time such services were rendered. The amount requested constitutes reasonable compensation for actual, necessary

services rendered by Bassford, based on the nature, extent, and value of such services, the time spent on such services, and the cost of comparable services other than in a case under Title 11 of the United States Code.

20. All services for which Bassford requests compensation were performed on behalf of the Committee and not on behalf of any other person. Bassford has not entered into any agreement with any other party for the purpose of fixing fees or other compensation for services rendered or expenses incurred in excess of the compensation allowed by law

WHEREFORE, Bassford respectfully requests that the Court enter an order:

1. Allowing Bassford interim compensation in the amount of \$12,155.00 for reasonable attorney fees and \$1,259.05 in reasonable expenses for a total allowed interim claim amount of \$13,414.05;

2. Directing the Debtor to pay forthwith to Bassford all sums allowed and unpaid representing the total fees and expenses sought herein; and

3. Granting such other and further relief as is just and equitable.

Respectfully submitted,
